

The Elkhorn Area Fire Department

would like to invite donors, supporting civic organizations, and the Elkhorn community to the activation and blessing of our community's

Safe Haven Baby Box

13 South Broad Street
Elkhorn, Wisconsin

Monday, November 25th at 3:00 p.m.

This short program will include guest speakers, local officials, and a representative from Safe Haven Baby Boxes of Woodburn, Indiana

followed by the official blessing by

Father Oriol Regales from St. Patrick's Church

A brief informal hospitality reception will follow.

Please join us to celebrate the activation of Wisconsin's second Safe Haven Baby Box, another important tool to prevent infant death due to abandonment by providing a 100% anonymous option for safe surrender.

This installation is in memory of Baby Boy Oak, lost due to abandonment in Whitewater, Wisconsin, in early 2023. Can't attend in person? The event will be streamed on social media, and available for viewing later.

This installation was 100% funded by generous community donors.

No taxpayer funds were used for the installation or the ongoing maintenance. Our special thanks to the City of Elkhorn administrative team, the Mayor & Council Members, former Mayor Bruce Lechner, former City Clerk Lacey Reynolds, former City Attorney Ward Phillips all without whose support and hardwork this would not have been possible.

Please thank our donors.
